Cyber Bullying

On Friday the 7th of November, we did a video conference about Cyber Bullying with a man called Todd from the Kids Help Line.

What is Cyber Bullying?

Cyber Bullying is a form of bullying done on the internet. Rude or offensive text or pictures of people that they do not want showed are all forms of Cyber Bullying.

We talked about what you should do if you or someone you know is Cyber Bullied. Who you can tell and what we can do to stop it all together.

FROM THE PRINCIPAL

Tennis Hotshots .

Tennis Australia, together with coach Clare Cohen, are making pathways with our younger students to learn how to play the game of tennis.

Nets, racquets and larger balls are provided to the school to encourage a simple skill-based approach that teaches ball-handling skills and hand-eye coordination. Introducing the game on a smaller scale could be the secret to getting more students interested and continuing the sport later.

How often would a young child lose interest when they start on a full-size court with a tennis ball? With Clare’s approach, our little Hotshots were going so well they were having rallies of 30 shots and more.

Thank you to all of the parents and friends who put in some time to beautify our school and do some odd jobs at the working bee yesterday morning.

Your support is appreciated by the staff and students.
