The students have all their tote bags sewn up and are using them already for library.

Mrs Traill led the children on a new crafty mission and made some colourful 3 dimensional creations of cats and dogs. Everything was recycled, from beer cartons, material remnants and gift wrapping paper. The students all measured, cut and assembled their canines and felines and gave them their own personality.

It goes to show you don’t need much to create something special; just some imagination and resourcefulness.

With the spring weather approaching the students have set to work planting grass seeds on the school oval as well as mulching and fertilising our trees and gardens.

With such wonderful expansive playing fields we all need to help out from time to time as it shows we are proud of our school and everyone benefits as a result.
NEWS, VIEWS & LOST SHOES

Parents please be sure to keep your contact details up to date with the school. If is difficult to contact parents in emergencies if we do not have your current details.
AMPS COMMERCIAL

Did you know that each year AMPS will donate a percentage of their sales to schools? To nominate which school you would like your sales to support please contact Jenny Potter 02 67 474 988 so that she can apply it to your account, it’s a simple process that can be done quickly over the phone. Thank you to all those who have already nominated Premer School. And thank you to AMPS for this years donation.

Premer Place Without a Postcard

For our Place Without a postcard Art Show we require students to take a photo of interest in their area; crops, landmarks, waterfalls, farmhouses, silos etc. They can print these at the school and paint them for their postcards. They can also get them printed, professionally, and enter them in the photography section at our Art Show.

Thank you

A huge thank you to Casey Donnelly and her fiancé Sean Seymour and also Chris Abra and Mark Donnelly for giving up their time on the weekend to cement in our sign framework. They even fixed our school gate in the process.

“Resolve to be tender with the young, compassionate with the aged, sympathetic with the striving and tolerant with the weak and wrong. Sometime in your life, you will have been all of these.” - Author Unknown
Regional Athletics Carnival  
Friday 28th August

Georgie Harrison competing in 9 years 100m race. Charlie Harrison competing in shot put, discus and 100m age race. Lydia Aulton competing in discus.

The above children have been selected to run in various relays as well as Charlie Traill and Abigail Nolan. Please be at the carnival ready to for your events and all the relays, and don’t forget to bring in your permission notes if you have not already done so.

Good luck everyone!

Boggabri Public Speaking

Boggabri Public Speaking is on Thursday 17th September, last week of this term. Remember all students need to present a speech at this event.

Healthy Eating

Fruit and Vegie Month has started. Over the next couple of weeks we will be rewarding children who eat fruit and vegetables at recess.

Breakfast is the most important meal of the day, it breaks the fast. Make time to have breakfast before school as some children are coming to school and eating their snack breaks at 9.00 am because they are hungry.

Please return all Sporting Challenge Log Books to the school.

Some belated photos from Riley’s birthday celebrations a few weeks ago.
Upcoming Events

⇒ 26th August
    Tuckshop & Kinder Orientation
⇒ 8th September P&C Meeting
⇒ 16th September Orientation
