CLEAN AND GREEN UP PREMER

Students dressed in their working clothes for the annual Clean Up Australia Day for schools on Friday 4th March.
The students wanted to plant extra shade trees and flowers in the extensive grounds to beautify our school and provide shade and protection. Our generous P&C funded the initiative providing a selection of 5 advanced deciduous trees. After doing some weeding the students set to work at planting the trees, making sure they were adequately fertilised, watered and mulched.

After a fruit and water break they set off to scour the streets of Premer, sports ground and Park. Although it looked relatively clean at first sight a few surprises were found in the way of paint tins, car seat covers old steel pipes, toys and carpet. An ice block was a cool reward for the hard work.

Looking after the environment is a high priority for our students and this attitude continues for the whole year.

LIBRARY
Please note that library is on Fridays with Ms Donnelly this term and village library is on Mondays. Don’t forget to bring your borrowing bag.

IMPORTANT!
Music Lessons: 3-6 students are repeatedly forgetting their ukulele and music folder on Tuesdays. This is not ideal as there is not enough ukuleles to share around when students forget. If your child is not organised they will not be participating. Ukulele available to purchase at school $25.00.

Amy Morley for picking up the beautiful shade trees. They will be towering above us in no time.

The Premer Branch of the NSW Farmers’ Assoc. Field Day and Crop Competition is set down for Wednesday 6th April 2015
Tour starts from the Clyde Purkiss Memorial Oval in Premer at 8.30am.

Morning Tea on route and a BBQ lunch will be served at the Premer Lions Shed at the conclusion of the tour.

Presentation of the prestigious PREMER SHIELD and the newly introduced PREMER PLATE will be made to the overall champion sorghum, sunflower and wheat competition winners.
The Mick Gaynor Trophy: Local Farmer of the Year, The Wilf Hockings Memorial Trophy: winner of the combined Mullaley, Tambar Springs and Premer wheat competition and presentation of trophies to the winners of the local canola, wheat, sorghum and sunflower competitions will be conducted.
