Premer students took a stand against bullying on National Day Of Action Against Bullying And Violence on Friday 18th March.

There was some very insightful comments shared about the effect bullying has on the person, the school and the community. Everyone contributed to what they identify as bullying, why it may happen and how to deal with it. Students showed that they were respectful listeners and made a positive plan to encourage respectful relationships.

Life is full of challenges and being resilient (being able to bounce back) can help us deal with difficult situations more easily.

The students made up their own persuasive slogans to stop bullying in the community. They made them into a creative sign that will span the verandah to remind them of the correct behaviour.
Old Boys Return

Nice to see Charlie Harrison and Gorden Harris coming in to help at the school recently. Gorden came in to do reading and Charlie came to help out in the classroom. Both boys go to Farrer and are currently enjoying school. Gorden enjoys tech and Ag. Charlie played 3 positions in his debut at Rugby League scoring a couple of tear away tries the length of the field.

Congratulations

Belated congratulations to Meg & Colin Cambell who are now Grandparents to two boys! Archibald (Son of Henry and Amy) and Lachlan (son of Andrew and Kim).
